

We're Hiring: **Project Procurement Manager – Construction, EPC & Cement Infrastructure**

AKIJ Cement Company Ltd. is looking for an experienced and commercially driven Project Procurement Manager – Construction, EPC & Cement Infrastructure to lead strategic procurement activities for large-scale cement plant expansion and EPC projects. This is a critical leadership role responsible for managing high-value capital procurement, EPC/EPCM contracting, construction packages, foreign sourcing, contract negotiations, and vendor governance to ensure timely and cost-effective project delivery.

The ideal candidate will have strong expertise in EPC contract management, heavy industrial procurement, cement plant equipment sourcing, civil and structural contracting, CapEx cost optimization, import procurement, L/C management, and cross-functional project coordination. The role requires close collaboration with project teams, engineering consultants, finance, legal, and international suppliers to deliver complex infrastructure projects while mitigating commercial and contractual risks.

Educational Requirements:

- **B.Sc.** in Civil, Mechanical, or Electrical Engineering from a reputed university.
- MBA in Supply Chain Management or Finance and professional certifications such as CIPS, CSCP, or PMP will be considered an added advantage.

Experience Requirements:

- 8–12 years of experience in heavy industrial procurement, EPC contracting, and construction project procurement.
- Minimum 5 years of hands-on experience in cement industry expansion projects, Vertical Roller Mill (VRM) installations, EuroSilo/Clinker Silo construction, or large-scale EPC power/process plant projects.
- Proven expertise in FIDIC/EPC contracts, techno-commercial negotiations, foreign procurement, L/C structuring, Incoterms 2020, CapEx sourcing, vendor management, BOQ analysis, and Total Cost of Ownership (TCO) optimization.
- Hands-on experience with ERP platforms (SAP, Oracle, or iBOS), MS Project/Primavera P6, and Advanced Excel will be highly preferred.

If you have a proven track record of leading complex EPC procurement and delivering high-value industrial infrastructure projects, we invite you to be part of AKIJ Cement's next phase of growth.

Apply now or share this opportunity with qualified professionals in your network.

Deadline: August 10, 2026
